A BRUBECK JAZZ MUSIC CELEBRATION

Jazz Concert – February 2, 2022, 7:30 p

Workshop for Jazz Students – February 2, 2022, 3:00 pm

@ Crest Theater - 1013 K St, Sacramento, CA 95814

COVID Safety Protocols

We'd like to inform you of our plans to keep everyone healthy to ensure the best experience possible. We will follow the State of California's guidelines for all indoor events with 500+ patrons in attendance.

Please bring proof of vaccination and an I.D. Proof of vaccination – your physical card, a picture of your card on your phone, or an electronic record of your card (electronic records can be found at myvaccinerecord.cdph.ca.gov).

Anyone unvaccinated, such as children, needs to present a PCR test taken within 48 hours of the performance start time, or a negative antigen test taken within 24 hours. Test results will be accepted if they are in writing from a doctor, laboratory, OR a home test accessed through a CDC-approved mobile app, and if the name on the results matches your ID.

Masks need to be worn while seated during the concert. They can be removed to eat and drink before or after the performance.

We are so looking forward to sharing the wonderful music of the Brubeck Brother Quartet with you. If you or others have any questions, please give us a call.
