Heroes Of Arts Education Gala

Purpose

The Heroes event shines a light on the tremendous impact arts teachers have on the lives of students - inspiring and challenging them to explore and create.

Because

Every child deserves arts education to support academic and social-emotional learning, and yet there are significant gaps in access.

We will

FOSA will advocate for funding, help connect schools with arts education in Sacramento K-12 schools. We are working towards "Arts Every Day for Every Child in Every School."

So That

Students have equitable access to comprehensive arts education for their academic success and social-emotional health.
